About Paysafe

Paysafe is a leading payments platform with an extensive track record of serving merchants and consumers in the global entertainment sectors. Its core purpose is to enable businesses and consumers to connect and transact seamlessly through industry-leading capabilities in payment processing, digital wallet, and online cash solutions. With 25 years of online payment experience, an annualized transactional volume of over \$130 billion

in 2022, and approximately 3,300 employees located in 12+ countries, Paysafe connects businesses and consumers across more than 250 payment types in over 40 currencies around the world. Delivered through an integrated platform, Paysafe solutions are geared toward mobile-initiated transactions, real-time analytics and the convergence between brick-and-mortar and online payments.
